关于耕心慈善协会

ABOUT GREAT HEART

Established in year 2010, Great Heart Charity Association (GHCA) is a tax-exempted, non-profit charitable organisation in Malaysia. We aim to assist to our beneficiaries in two key aspects, in the form of financial aid as well as emotional support.

By doing charity, we will not only provide help to others in need but will also get to develop ourselves in the process. We strive to build a harmonious and caring society with positive energy and spread the seeds of love so that people will be inspired to do charitable deeds in their daily lives.

耕心慈善协会成立于2010年，是马来西亚一个非营利及可扣税的慈善组织。耕心慈善协会将从最基础的两个方向提供资助，那就是物质上及精神上的援助。在行善的过程，同时也在耕心，通过帮助他人，同时也成长了自己。我们的信仰是要把善的种子播下，以正能量影响更多人行善，为建设一个和谐和善的社会努力。

GREAT HEART
LOGO 耕心标志

With "Care in Hand, Love in Heart". These are the words used to describe the "Heart" in the Great Heart logo that is now one of more readily recognised symbol, often seen in charity programs carried out in the Klang Valley. Designed in 2011, the simple but distinctive design portrays how each and every one in the organisation truly love and take care of others with all their heart.

传达关心，爱在耕心。「耕心」，意味着耕耘我们的心地，种植我们的心田，把爱传出去。耕心的标志目前更容易辨识，只因它在巴生河流域是个非常活跃的慈善协会。此标志是在2011年设计，其简单而独特的设计直描绘着每一位成员对于整个社会的大爱与关怀。

Heart Heart is our electric plug mascot with a huge big heart, representing the energy of life for our community. The three pins represent the contributors, volunteers, and beneficiaries who are all connected through Great Heart as the charity platform of choice to help those in need.

哈哈：耕心的吉祥物。无嘴的插头，顶着三根柱，联系着耕心慈善协会、受惠者及慈善人翁。不靠一张嘴，以行动给予社会满满的正能量。

Care in Hand, Love in Heart.

STORY OF MR. FRANKY SEE,

Founder of Great Heart Charity Association

关于徐瑞财先生，
耕心慈善协会创办人

Mr. Franky See Swee Choy is a businessman and philanthropist. He is the founder of Great Heart Charity Association, with the mission to cultivate a caring society by making charitable giving a part of everyone's life and creating a platform to link up contributors, beneficiaries, and volunteers. He is currently elected as the Founder of the association and aims to continue spearheading the association to greater heights so that he could inspire and influence more members of the public to care for the underprivileged groups.

Thousands from the underprivileged groups have benefitted from the philanthropy works carried out by Great Heart Charity Association under the leadership of Franky annually. Among those that had benefitted includes orphans, old folks, disabled friends, natural disaster victims, individuals being bogged down with kidney failures, as well as underprivileged families.

The founding of Great Heart Charity Association and his journey into the realm of charity was born from the bottom of his heart and is a testimonial to the successful conquering of oneself into becoming a better person. All that he contributed is not for self-satisfaction but is purely a desire to bring more positive energy into the society. Encouraging others to do good will give the wider community a humble look at one's life, and the act manages to attract the young generation to be volunteers and members of the association. It will next focus on schools and colleges to instill the philanthropy spirit to members of the public from a young age as Franky firmly believes that charity is a form of education too!

Franky strongly believes that if a person's foundation of life is being kind and everything that the person does is based on the premise of benefiting all beings, then naturally charity will become the mission of this person's life. For him, charity is a way of life and that we should live life with no regrets. Thus, his life's journey now is all about influencing and inspiring others to take up the belief in transforming life and helping others becoming better by serving in charity.

To him, setting high expectations and future goals for Great Heart Charity is not important. He believes that if we practice being humble in our heart and actions without setting limits, the ideals that we will achieve will naturally be higher and further than what we set out to achieve. Perhaps one day in the future, you could even be one part of us.

徐瑞财先生是一名商人兼慈善家。他是耕心慈善协会的创始人，自创立以来秉持着一个使命就是让慈善捐赠成为每个人生活的一部分，并致力于建立一个具有公信力的慈善平台予社会大众。透过这个平台，凝聚捐赠者，受惠者及义工单位来一起产生共鸣。时至今日，身为协会创办人，他仍不断地推动协会发展，并积极努力地影响更多的社会人士关怀弱势群体；关注被遗忘的角落。根据每年的记录，耕心慈善协会在他的领导下，数以千计的弱势群体从中受惠，所涉及的单位包括孤儿院，老人院，残疾中心，天灾受害单位，洗肾病患及贫困家庭等等。

解读他个人创办耕心及踏入慈善的开始，纯粹由心而发，成功征服自己，超越过往的自己，也是蜕变重生的证明。所有付诸的一切，绝非自我满足的一种表现，一心一意只是希望能为社会注入更多的正能量；鼓励他人行善之时，也给予广大的社会人士能更谦卑地看待自己的人生。在他的理解，慈善也是属于教育的形式之一，这几年来耕心慈善也多次踏入校园与学生交流并灌输正面的慈善精神及观念，希望能细水长流把这份爱的教育传承下去，生生不息。

他深信，只要一个人以善为立身之本，那自然而然善行将潜移默化地成为他或她的一生命运，而贡献与付出则是一种无怨无悔的生活态度。因此，在他的人生旅途里，不断地通过该平台来启发更多身边的人或社会大众，用生命影响生命。这些年来，针对协会的未来发展目标，他从未有任何的设限，总是带着一颗顺其自然的心分享给大家；只要我们以谦卑的态度去修行，修心，相信善的力量，那我们即将实现的理想，一切自然会比想像中更高更远。也许将来的某一天，不远的那一天，您已经是耕心慈善协会的一份子，一起分享慈善的喜悦。

HAND-IN-HAND CHARITY PROGRAM 携手共济慈善计划

The Hand-in-Hand Charity Program is created by GHCA to extend a helping hand to the following 3 target groups:

携手共济慈善计划的创建目的是要延续耕心慈善的服务至以下3个主要群体：

1. Individual cases 个别案例

2. Charity homes 关爱计划

3. Orang Asli villages 原住民村庄

1. Individual cases 个别案例

i) Dialysis Aid 洗肾支援

Chronic kidney disease requires life-long treatment, with the treatment fees costing a fortune. This makes a lot of underprivileged families suffer financially and emotionally. Going for treatments three times a week can bring their medical costs up to RM3,500 a month. GHCA had been providing financial assistance to dialysis patients since June 2013 to alleviate their burden by subsidising RM360 to RM1,000 of their treatment fees every month.

肾病需终身治疗，它昂贵的费用促使许多贫困家庭在经济和精神上倍感压力。每周三次的医疗费用可高达RM3,500。耕心慈善协会自2013年6月给予洗肾病患者每月资助RM360至RM1,000的治疗费，以减轻病患者的经济负担。

ii) Family Care and Business Start-Up Support 家庭个案及就业机会支援

From temporarily losing earning capability due to sudden medical condition, to single parent families who live from hand to mouth but wishes to fund their children's studies so that they could have a better future. Each of these underprivileged families are going through a rough patch and a little assistance and motivation goes a long way to lift their life. GHCA identifies poor families to assist them with monthly groceries, ad hoc emergency assistance, and business start-up support with the aim for them to be self-sustained by the end of the assistance period. Monthly aid of RM300 or ad hoc aid up to RM5,000 will be allocated per case according to their needs.

针对单亲、突发医疗费用及贫困家庭，耕心希望小小的奉献能为其带来教育和生活上的帮助与激励。耕心透过筛选后将受惠家庭提供日常、就业或经济突发状况的需求，援助资金介于RM300 - RM5,000之间。

2. Charity homes 关爱计划

As most charity homes such as orphanages, old folks' home, and disabled home is an establishment that usually receives some form of exposure from the media in one way or another, we take a different approach to cater to these underprivileged groups. Rather than providing them with financial assistance, we arrange various activities to take care of the mental wellbeing of these underprivileged groups.

大部分的关怀中心如孤儿院、老人院、残疾中心的建立通常是透过媒体处曝光或其他形式而受到瞩目。而耕心慈善协会则采取不同的形式来迎合这些弱势群体。我们不会特意给予经济上的支援，因为我们更重视“精神上的辅助”，因此耕心会安排各种活动来照顾这些弱势群体的心理素质。无论是儿童，老人还是残障人士，举办各类活动，灌溉了满满的爱与关怀。

3. Orang Asli villages 原住民村庄

Orang Asli is the indigenous people of Malaysia and is among one of the poorest communities in the country. Most are staying in villages deep in the jungle with no access to electricity or clean water supply due to accessibility constraint.

Great Heart arrange for 2-3 visitation trips annually into various Orang Asli villages with a team of volunteers to provide services such as livelihood and education facilities enhancement and medical check-up for the villagers. As most of these villagers do not have access to proper water supply, educational facilities, or medical facilities and services, the visit serves an important role in equipping the villagers with better capability and livelihood.

原住民是马来西亚的土著人民，是我国最贫穷的社区之一。由于可及性的限制，他们多数是居住在无电源及自来水供应的丛林深处村庄。

耕心慈善协会的志愿者团队每年都将安排2-3趟前往原住民村庄进行探访，为村民提供生计和教育设施以及医疗检查，使村民拥有更好的能力和生活水平。

GREAT HEART COMMUNITY CENTRE (GHCC) 耕心慈善社区服务中心

GHCC is a community centre established in March 2015 by Great Heart Charity Association as a platform and place to serve the local communities and assist the underprivileged groups. The main programs conducted there are:

耕心社区是由耕心慈善协会于2015年3月成立的社区中心，旨在为当地社区和弱势群体创建一个平台和场所。社区活动如下：

2. TCM Medical Check Up for the Needy 中医义诊

Traditional Chinese Medicine (TCM) is a style of traditional Asian medicine built on a foundation of more than 2,500 years of Chinese medical practice that includes various forms of herbal medicine, acupuncture, massage, and dietary therapy. GHCC provides an avenue for the underprivileged to receive TCM treatment for free to those from the underprivileged groups every Tuesday to Friday. Treatments available include acupuncture and cupping. Members from the public are also welcomed to join the session on donation basis.

中医（TCM）是一种亚洲传统医学，建立在2500多年的中医实践基础上，其中包括各种形式的草药，针灸，按摩和饮食疗法。它主要用作补充性替代医学法。耕心社区为弱势群体提供了免费的中医治疗。耕心社区每周二至周五为弱势群体提供半天的中医义诊。中医疗法包括针灸和拔罐。此义诊同时也开放予民众以随喜方式来就诊。

3. Classes for the Children 儿童义补

Classes, workshops, and activities play an important role for a person's growth and development. Only through continuous lifelong learning can a person continue to upgrade and improve themselves. This is true not only for children from underprivileged groups, but is equally important for volunteers and members of the public from all walks of life to upgrade themselves with new skills and knowledge.

GHCC conducts a two-hour tutoring class for children from underprivileged families every Saturday to ensure that they could achieve at least a minimum proficiency level in reading. Activities and workshops are also conducted every month that covers vast range of area such as yoga, singing, and baking, and caters to children, old folks, as well as volunteers.

课堂, 工作坊和活动对一个人的成长和发展起着重大作用。只有透过不断的终身学习, 一个人才能不断提升和完善自己。这不仅适用于弱势群体的儿童, 而且对于各行各业的志愿者和民众来说, 自我提升新知识、新技能同样重要。耕心社区每周六为贫困家庭的孩童设办了两小时的补习班, 以确保他们至少能够达到阅读的最低水平。为了迎合儿童, 老人和志愿者的需求, 耕心社区每月还会举办活动和工作坊, 当中涵盖了瑜伽, 歌唱和烘焙等广泛领域。除此之外, 耕心社区也迎来了本地和国际实习生, 以让他们学习和体验在非政府组织里的工作生涯。

4. Vegetable Garden for the Community 社区菜园

Over 2,000 square feet of land area has been designated as a community vegetable garden area, where volunteers get to learn, work, and sweat together to grow crops of vegetables for the community.

GHCC grown various vegetables at the community garden as food source. Upon harvesting, some are distributed to old folks home, orphanages, and the underprivileged who come for the Lunch Box for the Hungry program.

耕心社区拥有约2,000平方英尺的农作地, 种植了各种有机蔬菜。志愿者可在这儿学习耕种及了解园艺, 为社区种植蔬菜。收成后, 这些蔬菜将分发到老人院、孤儿院和参与免费饭盒的弱势群体。

5. Community Projects 社区项目

Events are organised during festive months to embrace our Malaysian culture diversity and celebrate with everyone from all races and religions, both rich and poor.

耕心社区着重于马来西亚文化, 在佳节期间举办各类型活动。大家不分种族、宗教、贫富并与民众一起欢庆。

YOU & ME EDUCATIONAL PROGRAM “关爱你，关爱我”教育计划

Charity is a form of education. The implementation of charity cultures into schools serves to act as a jumpstart for students to organise community projects voluntarily while enhancing their self-development and hence, delivering positive energy into our community. We actively collaborate with students from various societies in schools and universities to conduct talks and knowledge sharing sessions for the students so that these students will then take the initiative to organise community projects with Great Heart acting as partner that supports them with guidance and funding.

慈善应被视为一种教育形式。在学校中实施慈善文化可为学生提供主动的机会，帮助他们自愿组织社区项目，同时增强他们的自我发展，从而为我们的社区带来正能量。耕心慈善协会积极给予学生讲座和分享会，让学生自主性的举办社区活动，更提供指导和资金作为支持与鼓励。

11 SUSTAINABLE CITIES AND COMMUNITIES

1. Mini Earth Warriors Program and Earth Warriors Day 小型地球战士计划和地球战士日

Earth Warriors is an environment awareness program initiated by GHCA that aims to safeguard the cleanliness of our environment. Clean up activities are conducted on selected weekends every month at different public parks around Klang Valley under the Mini Earth Warriors Program, while large scale Earth Warriors Day will be conducted annually. This project serves as reminder to people not to dispose of garbage irresponsibly. It is important to expose the public, especially the younger generation to practise hygiene and cleanliness, so that there will come a day when the environment may no longer needs protection.
